John Wagner will join the league as Randy Godsey's partner taking the spot vacated by Brad McDaniels.

A motion was presented to change the format of the post-season tournament. After some discussion, it was decided that we would switch to a format that exactly matches league play.

Pairings will be decided on the day of the tournament by random draw.

Each pairing will play 18 holes with ten points being contested.

A dollar amount is awarded for each point, depending on the amount in the prize pool.

Several dates were suggested for the season-ending tournament but no date was set.
