(7 teams represented)

Rick Ryle will rejoin the league as Keith's partner.

Mike Daniele will join the league as Dan's partner.

We set the date for this year's postseason tournament as Sunday, 16 September, 2018.

Location and format to be determined.

Jim Rider will again serve as chairman of the Tournament committee, with Seth Shankle and Todd Wege serving as committee members.

There was a suggestion to change the existing tiebreaker rule, followed by several minutes of lively discussion. The matter was brought to a vote with the result being that the rule will remain unchanged.

We also briefly discussed the current rule regarding league members who have three or more no-show penalties being un-invited the following year. The consensus was to remove that rule since we have not enforced it.
